Laser Mouse GL5600 Piano Black

The Gamer´s choice

The World Wide Web, complex graphic application or warlike hordes in cyberspace – whatever challenges you meet, with the GL5600 Piano Black you will always have the right tool at hand.

With its latest Tilt Wheel Technology (4-way scroll function) you can move effortlessly in all 4 directions using only your index finger. Use the 6 assignable buttons for useful functions such as zoom, copy and insert. It has never been so easy to adapt to all conditions and requirements – whether on a smooth designer desk, common textile mat or when used by several users, select the right resolution with just one click. The GL5600 Laser Mouse Piano Black also offers you many other useful functions and help you to keep your world under perfect control.
