Laser Mouse WL5600
Highest accuracy and perfect usability for all users

For everybody who is looking for something very special we have the perfect wireless pointing device. The Laser Mouse WL5600 offers much more comfort and features than a usual mouse. Doesn't matter which challenge you meet at work or at home – with this mouse you get anything under control – wireless, quickly, exactly and reliably.

The Laser Mouse WL5600 is featured with 10 buttons and 6 of them are programmable. Together with the 4-way-scroll functionality (Tilt Wheel Technology) it is the right tool for you. You work on different surfaces or want a quick change from a low resolution to high one? Switch with one button-click between 800 and 1200 dpi. Your Mouse will always be powered thanks to the USB charger station containing a second set of NiMH batteries. Manage your everyday life stress-free and efficiently.

Reliability
